Next Step Knowledge

Click on the links below for more information:

- [Apprenticeships](#) – Lots of information about apprenticeships including a search tool for apprenticeship vacancies both nationally and locally.
- [National Careers Service](#) – This has useful tools that will help you to choose a career and give you career suggestions and create a CV. You can also talk to an adviser for free on 0800 100900.
- [Career Pilot](#) – This is a great website giving lots of information about all the different options available for future work and study. Students can search for different careers by sector. The site also has pre-16 and post-16 skills quizzes.

Key Terminology

Wage differential: the difference in wages between workers with different skills in the same industry, or between workers with comparable skills in different industries or localities.

Key Information

EY - Summer work experience opportunities for Y11 and Y12 students across the UK! Gain insights into finance and technology roles with EY's Career Starter programme and meet apprentices and graduates. [Learn more](#) or see the [employer profile on Unifrog](#)

Liverpool John Moores University - LJMU's scholarships and bursaries aren't only awarded for academic skill. Whether students are active in their community, have championed inclusion or taken part in one of LJMU's outreach activities, they can find out what's available and apply now. [Learn more](#)

Royal Horticultural Society - Discover the incredible range of green careers available at RHS's Green Careers Open Day in Wisley (27 Apr, 10:30–15:30). Students can network with employers and training providers. There will be talks, fun activities, and tours! [Learn more](#)

Manchester Metropolitan University - Top tips on funding and scholarships! Find out about finance available to make sure students are supported during their studies. [Learn more](#)

Stagecoach - Brand new engineering apprenticeships have launched - including coach building, electrical and mechanical engineering roles at sites across the UK. For students with GCSE as a minimum qualification. [Learn more](#) or see the [employer profile on Unifrog](#)

Aldi - Store management, logistics, and driver apprenticeships for Y1 and Y12 leavers looking for versatile and practical opportunities across many UK stores and depots! [Learn more](#)

Global Citizen Year - Immersive experiences for students aged 17–21 to gain lifelong skills and learn from experienced human rights advocates advancing social justice in South Africa. Apply by 19 April for the autumn term programme (12 Aug–6 Dec). [Learn more](#)
