Careers Advisor

Meet our Careers Advisor Caroline:

Job role:

A Careers Advisor helps people make realistic choices about their education, training and work by providing the right advice, information and guidance. The career advisor role involves assisting people in making decisions about their future and reaching their full potential.

Careers meetings:

- Year 11 and Sixth Form 1:1 meetings
- When Caroline is in school you can find her on a lunch time in the careers room (S Block) if you have any careers questions or concerns (All years)

Key Information

Financial Services Career Accelerator The Financial services industry can open the doors to so many possibilities even without a university degree. From learning on the job with apprenticeships, or entry-level jobs to taking specialised courses, you can take control of your future by pursuing an exciting career in financial services through their free Financial Services Career Accelerator programme. The Financial Services Career Accelerator is a free accredited 10-week learning programme that includes: Professional skills development/Training for the CISI Level 2 Fundamentals in Financial Services Qualification/Entrance to the CISI Level 2 exam/Opportunities to connect with top UK companies. Click here to sign up if you are aged 17-21 - [Fitch Learning](#)

Know Our Impact (KOI) Youth Board is recruiting! KOI are a group of young people who work together and take action, bringing meaningful change in mental health, physical health and social wellbeing for young people in a positive way. It is important that young people are heard to make sure that things are effectively working to help them. Requirements: Age 11+. Living in North East & North Cumbria and able to attend online and face to face meetings. To apply, please contact cyp@risenortheast.co.uk

North East Customer Service Apprenticeship. Teleperformance and Penshaw View have a fantastic opportunity for young individuals aged 18-21 who may be interested in kickstarting a career in customer service through a structured Apprenticeship pathway. To apply, [Click here](#)

Programme Overview:

- 10 candidates will take part in a classroom-based bootcamp in October, delivered by Penshaw View.
- Following the bootcamp, candidates will be interviewed, and the top 5 will be offered a full-time Apprenticeship position.
- Apprentices will be based at the Teleperformance Gateshead site, working on our UCR contract.
- Standard agent salary applies.
- Apprentices will also get exposure to other parts of the business to aid their progression and development from employee experience to Quality and other areas.
- Applicants must already hold a Level 2 qualification in Maths & English (grade 4 / low C or equivalent). **Start Dates: Two-week Bootcamp: October Apprenticeship Start: November**

Do you know about INGENIA?

Ingenia, a free magazine published by the Royal Academy of Engineering, is a key tool in promoting their goal of placing engineering at the centre of a sustainable society and inclusive economy. The magazine aims to showcase how engineering impacts lives and shapes a positive future, contributing to the Royal Academy of Engineering's broader mission. You can get the latest updates and viewpoints on engineering innovation and technology with a free subscription to Ingenia: [Click here](#)
