Careers Fair

A huge thank you to the TCR Hub for hosting an amazing Careers Fair! Students from Years 7-13 had the opportunity to explore a wide range of exciting career paths, learn from industry professionals, and get inspired for their future! Here's to helping our students discover their passions and build the foundations for bright futures ahead!

Careers Homework

Over March students have been asked to complete the below careers homework:

- Careers fair feedback
- Unifrog - Add evidence into locker
- Unifrog - Add to activities
- T Level quiz

Key Information

Pfizer Apprenticeship programmes. Pfizer is a major global pharmaceutical company and they have a range of apprenticeships available in areas such as; marketing, project management, data science, finance and business administration as well as their laboratory scientist apprenticeships. For more information and vacancies see [here](#).

Have you ever considered a career in engineering? [The Institution of Mechanical Engineering](#) has teamed up with Unifrog to provide students from year 10-12 with a Virtual work experience programme. Students can gain insight into engineering and the critical role of mechanical engineers in addressing global challenges. Register on the Unifrog careers platform for the IMechE's 2024 virtual work experience [here](#).

TLT Solicitor Apprentice Experience recently launched a new apprentice experience which enables students to test out their decision-making with scenarios that a real-life apprentice could encounter. They can choose from three personas whose paths they can follow:

- A sixth form student deciding between going to university or pursuing pursuing a solicitor apprenticeship
- A solicitor apprentice on their first day at TLT
- A third-year solicitor apprentice in our Real Estate Group.
