September 2025

Dear Parent / Carer

**Re: Individual Student Photographs – Thursday 25<sup>th</sup> September 2025**

Kittle Photographic, our school photography company will be coming into school on Thursday 25<sup>th</sup> September 2025 to take the individual student photographs for the whole school.

On the day, students will be given a personalised card with their name on for Kittle to scan prior to their picture being taken. They will then need to hold onto this card, as it will act as a 'proof ticket' in order for parents to view their child's photograph online through the Kittle Photography platform. The access details and ordering information will be shown on the ticket.

Photograph orders can only be placed online through Kittle Photographic, making the process seamless and cashless. Deliveries can be made to your home address for a small cost or delivered to school free of charge (in one delivery if orders are placed within 21 days from the photography date).

Individual student photographs are for our school records only but are available for parents or carers to purchase if they wish, as outlined above.

If you have any queries, please do not hesitate to get in touch.

Yours faithfully

**Mr H Zaheer**  
**Head of School**
