

Hello Everyone,

Lots of you have been in touch about our Y11 and Y13 parent/ carer/ student revision event in the evening of February 8th. We've sent a separate letter but, if you need any more information, please ask.

After listening to both parent and student feedback students may now wear coats inside the building as they move around between lessons. They will still have to be removed in classrooms and in the shared spaces such as the hall and dining hall. Hoodies and non-school jumpers will no longer be allowed in school at all, so please encourage your child to wear a coat instead.

We don't allow phones to be seen or used on school premises; please don't message your children during the school day. If it's urgent, please contact the office and they will pass any message on.

I'd like to share with you the details of a great opportunity for any of you who are interested in SEND to attend an event at our school to hear from SEND professionals. We'd love to see you there.

If your child has been offered a place on the Harry Potter trip on Saturday 23rd March, we would very much appreciate the payment of any balance still outstanding. More details will follow after half term about the trip itself.

There are two weeks of this half term remaining. We break up on Friday 16th February and return on Monday 26th February.

Have a great weekend!

Teesdale School & Sixth Form

Meet SEND professionals in County Durham

For our parents and carers of SEND children
