WE'RE LOOKING FOR

A **TEACHER OF**

SCIENCE

TO JOIN OUR TEAM

Teacher of Science

Required for September 2020

Salary MPS/UPS scale

Full time

We are looking to appoint a Teacher of Science with a love of their subject, energy and enthusiasm, to teach across all year groups.

As a Teacher of Science you will help our young people to develop their knowledge of the scientific method and the fundamental principles of science at Key Stage 3 as well as inspiring them to opt for the separate science courses at Key Stage 4. Your specialist subject knowledge of chemistry, biology or physics will take our students to the very top tier of understanding and help to make the department a flagship for excellent science teaching. We want our students to have the very best.

The successful candidate will:

- have a very high level of understanding of chemistry, biology or physics with a passion to pass this on to others;
- be a creative, imaginative, innovative and experimental classroom practitioner;
- be committed to further professional development;
- be emotionally intelligent with a growth mindset;
- have potential to lead, inspire and develop colleagues and students;
- have high expectations of their self and others.

Deadline:

Thursday 6 February 2020, 9am

Interviews will take place Thursday 13 February 2020

All visits to the school are warmly welcomed.

Please contact the school office on **01833 638166** to arrange a visit.

How to apply:

Application forms should be completed and returned with a supporting letter of no more than two sides of A4, outlining the reasons why you wish to work in Teesdale School, what you would bring to the post and the experience and attributes that have prepared you to take on the role, to **tracy.tuck@teesdaleschool.co.uk** or by post to Tracy Tuck, Teesdale School and Sixth Form Centre, Prospect Place, Barnard Castle, County Durham, DL12 8HH.

Job description

Responsible to

Head of Science / Second in Science

Job purpose

- To teach Science to students across the age and ability range within Teesdale School
- To be a committed and enthusiastic member of the department
- To develop and foster positive working relationships with students, teaching staff, other professionals and parents/carers

The key duties of this post will generally include:

Operational/Strategic Planning

- To report regularly to Science Leadership on the progress of individual students
- To participate in staff meetings as required
- To plan, prepare, evaluate and modify personal teaching methods and materials in accordance with department and school policies
- To control and manage the classroom effectively
- To praise and manage student behaviour as appropriate
- To plan to meet the varied and special educational needs of students
- To set homework in accordance with the school and department policy and to ensure that students complete school planners

Enhancing own knowledge, skills and understanding

- To continuously develop your range of teaching and learning strategies for supporting the development and progression of individual students
- To keep up-to-date with developments and initiatives in the subject area.

Professional development and raising awareness

- To be an active member of the school's Science Department
- To work with relevant staff to identify and address the needs of students
- To plan differentiated material to support all students at Key Stages
- To participate proactively in professional development initiatives

Curriculum and Extra-curricular Provision

- To contribute in developing/reviewing/revising schemes of work and engaging

and challenging resources

- To contribute to the creation, planning and organisation of extra-curricular activities to promote the subject and enhance students' learning

Sharing information

- To ensure the efficient exchange of information regarding students both within the school and with other institutions/external agencies, as necessary

Support and monitoring

- To mark and record students' work in line with departmental and school policies
- To assess in line with departmental and school policies the ability of individual students; transfer that assessment to school records and to reports for parents; to communicate assessment details and data to tutors in preparation for parents' progress evenings
- To prepare and conduct assessments of students' learning as and when required, and submit data regarding students' progress into the school management information system.
- To liaise with others involved in supporting students' learning
- To develop and maintain links with subject and pastoral staff to support, monitor, assess and evaluate the progress of individuals
- To support students' social and emotional needs.
- To foster good relationships and liaison with parents/carers

Management of Information

- To ensure the maintenance of accurate and up-to-date information concerning students' learning and progress.

Communication

- To ensure effective communication/consultation as appropriate with the parents/carers of students

Additional Duties

- To carry out duties as appropriate to the position of a classroom teacher within school
- To carry out duties as appropriate to the position of a pastoral tutor
- Employees will be expected to comply with any reasonable request from a line manager to undertake work of a similar level that is not specified in this job description.

The above list of duties is extensive but not exhaustive and may not identify each individual task which may reasonably be requested of the post holder. Employees will be expected to comply with any reasonable request from a manager to undertake work of a similar level that is not specified in this job description.

This job description is current at the time of post, but, in consultation with you, may be changed by the head of school to reflect or anticipate changes in the job commensurate with the grade and job title.
