Key Information

[UniFrog Virtual work experience week 2025.](#) UniFrog are running a set of virtual work experience opportunities during the week 30 June – July 4. These include opportunities with the NHS, EDF Energy, Forvis Mazars and the British Army. They involve 6hrs of time.

[Need help with Uni applications?](#) Apply to Uni is an all-round useful website. It has a course search facility, a good guide to writing personal statements and a section on student finance. It also has various university league tables and a very useful Open Day calendar. Easy to use and has all the information you need.

[Online subject tasters from the University of Sheffield.](#) These subject taster sessions offer you an opportunity to experience a university lecture or seminar, to get a taste of what studying that subject at university is like. Available for Year 12 and 13 students, there are a wide range of subjects to choose from and sessions are delivered online (and some on- campus.)

[London School of Economics \(LSE\) Festival 2025.](#) Taking place from 16-21 June, the theme of the Festival this year is “Visions for the Future”; How will AI, new technologies and innovation shape our societies. There are some amazing public lectures on offer which can be attended either in person or online. Short films and skills sessions around building an impactful career are also available. All events are free and open to all.

[JCA/London Fashion Academy Virtual Open Evening.](#) If you want to become the next fashion pioneer and follow in the steps of the world’s most acclaimed shoe designer Prof. Jimmy Choo OBE, you should find out about what makes JCA unique by attending their virtual Open Evening from 4-5pm on 18 June

[Interested in Animation, Games and VFX?](#) Escape Studios work closely with industry partners to ensure their degree programmes remain relevant and impactful. From Programming for Games and VFX to Concept Art and Experience Design, they offer a number of creative courses designed to prepare you for this exciting industry. They have an open day on 21 June

[Free courses! OpenLearn from the Open University.](#) The Open University are offering a number of free badged courses that cover a range of core subjects and professional competencies essential for the modern workplace. These include “Managing my money for young adults” and “COVID-19: Immunology, vaccines and epidemiology” amongst others.
